Eligibility

I-LEAD is available to anyone who works for a LeadingAge Wisconsin member or subscriber. It is preferred that Fellows have previous supervisory or leadership experience (formal or informal) and formal education beyond high school that demonstrates a true commitment to self-improvement and a passion for leadership growth. For purposes of I-LEAD, it is far more important for Fellows to demonstrate potential within their organizations than it is for them to carry specific job titles.

LeadingAge Wisconsin will provide complimentary registration to Fellows for the 2019 Spring Conference (May 1-3, 2019). Breakfast, lunch, and break refreshments are provided during each class session at no additional cost. A non-refundable and non-transferable tuition payment is required from each Fellow's sponsoring organization (\$1325 per person for provider members/subscribers or \$2650 for associate members). In addition, all lodging and travel expenses (including dinner expenses on class days) will be paid by the sponsoring organization. (The costs incurred vary depending on the locations of the face-to-face learning experiences).

Fellows should plan on spending between 10-15 hours per month working on I-LEAD Leadership Development program activities in addition to one hour each month for monthly team conference calls. Fellows will need access to a personal computer for regular e-mail contacts and to participate in the I-LEAD virtual community.

Submission Deadline

Please complete the application packet and submit it (through the mail or electronically) to the LeadingAge Wisconsin office no later than July 13, 2018. All applications must be received in the mail or electronically by the July 13th deadline to be considered for review. Applications that fail to meet all guidelines or are incomplete will not be considered for review. Applicants will receive notification of acceptance into the I-LEAD Leadership Development program the week of September 3, 2018.

Evaluation Criteria

All application submissions will be carefully reviewed to ultimately assemble a diverse class of Fellows (in terms of life experience, work experience, geography, type of organization, as well as other unique characteristics). A committee of LeadingAge Wisconsin member leaders will evaluate applications using the following criteria:

- How well defined, insightful, and introspective are the leadership essays?
- How well does the applicant demonstrate a commitment to the field of aging services?
- How well does the applicant demonstrate a dedication to life-long learning?
- To what extent does the applicant possess the capacity to become a transformational leader?
