

Calculation of 10/1/18 Medicare Base Rates

LeadingAge Wisconsin has calculated Medicare PPS RUGs IV base rates by Wisconsin county. These base rates will go into effect for services rendered on and after 10/1/18 through 9/30/19. These rates do not consider the individual facility Value Based Purchasing (VBP) adjustment and individual facilities will have to apply their multiplier to the base rates. Instructions on how to access your VBP adjustment factor can be found here:
